### **Our Mutual Friend Brewing Earns 2022 Good Food Award**

**DENVER**— Our Mutual Friend Brewing (OMF) is proud to announce that they have been selected as a winner of the 12th Annual Good Food Awards. OMF's Zappa Weirding Way was recognized in the beer category.

The Good Food Awards celebrates American food and drink crafters who demonstrate a commitment to creating tasty, authentic and responsible products to better the nation's food system.

"Unsurprisingly, we are passionate about beer. Part of that excitement and devotion to making great beer is knowing the magic that comes from pairing it with well crafted, delicious foods and the interplay that shines a light on the best characteristics of both," says OMF Managing Partner Brandon Proff. "We are humbled and appreciative to receive this award after 9+ years of learning how to make the best beer we can."

This year the Good Food Awards received 1,966 entries across 18 categories. 244 distinguished makers rose to the top among 351 finalists, receiving high scoring entries from a rigorous vetting process to verify that they were not only exceptionally tasty, but met the sustainability and social responsibility criteria required to become a Good Food Award winner.

There were 22 food crafter winners in Colorado. In the beer category, Cerebral Brewing's Invisible Hand also earned recognition.

"This honor is both an affirmation that we are on the right track and encouragement to never stop working to be better," says Proff.
