Colorado Brewers Guild Announces the Return of the Colorado Brewers Cup:

A Celebration of State-Wide Craft Beer Excellence

DENVER (DEC. 8, 2025) — The Colorado Brewers Guild (CBG) is proud to announce the upcoming [Colorado Brewers Cup](#), the premier professional beer competition organized by and for the state's independent craft brewers.

As the only professional competition for CBG member breweries, the event fosters community while showcasing Colorado's world-class quality. Expert judges will evaluate entries across a wide variety of style categories in January, awarding Gold, Silver, and Bronze medals to the top beers.

The competition culminates in the Awards Ceremony on the evening of Friday, Jan. 23, 2026. Held at the Hyatt Regency in Aurora, CO, the ceremony serves as the grand finale to the [Colorado Craft Brewers Summit](#), bringing the industry together to celebrate the camaraderie that defines Colorado beer.

"The Colorado Brewers Cup is more than just a competition; it is a testament to the passion and skill of our local brewers," says Carrie Wilson, Communications Manager for the Colorado Brewers Guild. "This event highlights the incredible diversity of beer styles produced right here in our backyard and honors the hard work that goes into every pint."
