

Greetings media folks,

We are excited to announce the release of two new brews. In the market now is our Classic West Coast Double IPA. A retreat to the good old days of bitter, clear, and crisp IPAs

Joining our year around lineup soon is Cosmic Gazer, a hazy IPA made with galaxy hops. Bringing the people what they want while inspiring adventures under the night sky.

Learn more about this in this press release.

Contact me if you would like more details or photos.

Cheers!
