Boulder Social drew on decades of brewing and hospitality experience, courtesy of owner Gina Day's background in brewing with Boulder Beer Co. and Brewmaster Rodney Taylor's 20 years of brewing experience, to ensure the house-brewed craft beers are bold and balanced in flavor. These classic beers are created using a 10-barrel, 3-vessel brewhouse that allows Taylor to brew classic taps, while exploring new seasonal flavors for exclusive releases. Each beer brewed at Boulder Social will be available in 19oz. steins, beer flights with four 5oz. pours, and 32oz. to-go crowlers.

Boulder Social is excited to invite the community to their first Tapping Party on December 15th from 6pm - 8pm. Where guests will have the opportunity to try the new Social Hazy IPA with 6.7% alc/vol and the Social West Coast IPA with 6.9% alc/vol. Each guest (21+ years old) will receive one free Social IPA when they attend the tapping party. These classic IPAs pair perfectly with Boulder Social's wide selection of delectable dishes, from the satisfying Classic Double Burger to the creative Boulder Cowboy Pizza.

Join Boulder Social for the second tapping of the month and get a blast from the past with the classic flavors of Boulder Beer Co. Buffalo Gold Golden Ale on December 22nd from 6pm - 8pm.
